SUMMARY

Passionate and creative Full-Stack Developer with a strong background in LMS Support and digital design. Proven track record in optimizing and customizing web platforms like Moodle, managing server monitoring, and crafting interactive digital content. Eager to leverage technical proficiency in HTML, CSS, and JavaScript to build user-friendly, visually-driven websites and high-quality digital solutions.

EXPERIENCE

Nephila Web Technology Inc. | Jr. LMS Support Specialist | 2020 – 2023

- Managed server monitoring and generated comprehensive monthly performance reports to ensure 99.9% platform uptime.
- Customization and branding for clients utilizing Moodle LMS, significantly improving user engagement.
- Collaborated with cross-functional teams to resolve technical support issues and maintain optimal system performance.

Nephila Web Technology Inc. | Graphic Designer & Support Assistant | 2019 – 2020

- Created interactive learning content, graphics, and digital layouts using Adobe Photoshop and Canva to enhance course delivery.
- Assisted the technical support team by producing clear, user-friendly documentation for system processes and platform updates.

AMB Corp. | Sales Associate | 2024 - 2025

- Delivered high-quality customer service, driving daily sales goals and providing essential operational support.
- Developed strong communication and problem-solving skills in a fast-paced retail environment.
